1. In accordance with reference A and F, based on the doctrinal foundations of reference B and in order to meet the requirements of reference C, the C-IED Centre of Excellence (C-IED CoE) conducts the DOMEX Course 23.1 from 17-28 APRIL 2023, in Spain.

Course Code (ETOC): IED-ED-35665.

2. The course aims to enhance Technical Exploitation capabilities focused in DOMEX discipline, including Document Exploitation (DOCEX), Media Exploitation (MEDEX), Cellular Phone Exploitation (CELLEX) and UAS Exploitation. The framework will be initial collection capabilities and the use of elementary tools and software to extract information at the tactical level for integration into the Technical Exploitation system (level 2).
3. Representatives of the C-IED CoE sponsoring nations, NATO and the “7NNN” (Australia, Austria, Finland, Ireland, New Zealand, Sweden, Switzerland) are invited to attend DOMEX 23.1 which will be conducted in the C-IED CoE (Madrid) and San Marcial Division (Burgos) premises (Spain).
4. The course has in total 12 seats for attendees. 3 seats will be granted in priority for Law Enforcement personnel. Authority for prioritization is the C-IED CoE.

5. The deadline for application is **07 MARCH 2023**. Applications after the deadline will not be accepted.
6. If nations request more than one attendant for the course, they are kindly asked to prioritize their proposals.
7. All applicants will receive the confirmation/regret mail from C-IED CoE not later than 14 MARCH 2023. No travel arrangements should be made prior to receiving the confirmation of participation.
8. Details regarding real life support, travel, accommodation, transportation and meals, will be defined in the confirmation email.

ANNEX A:
COURSE DETAILS

1. Training Audience

a. Fields and levels of expertise:

The course will cover the following learning objectives:

- i. Trends regarding Technical Exploitation.
- ii. Technical Exploitation Processes.
- iii. Document & Media Exploitation (DOMEX) Outcomes and their potential contribution to Attack the Networks (AtN).
- iv. Document Exploitation (DOCEX) Capabilities.
- v. Media Exploitation (MEDEX) Capabilities.
- vi. Cellular Phone Exploitation (CELLEX) Capabilities.
- vii. UAS Exploitation Capabilities
- viii. DOMEX Collection Techniques in Support to Field Exploitation Team/Weapon Intelligence Team (FET/WIT) processes.

Expected attendees are trained International or National FET/WIT or equivalent trained personnel (i.e.: Military Police , Military Search, Technical Exploitation Operations) and Intel/Ops Staff, involved in technical exploitation.

The attendance to WIT Course (also organized by C-IED CoE) is a good preparation for the DOMEX. Especially for the participants do not familiar with the C-IED environment (including Law Enforcement and Intelligence Agencies) the attendance of the WIT in advance is highly recommended but not mandatory.

b. Military Ranks:

Officers (OF-1 to OF-4) and Non Comissioned Officers (OR-3 to OR-9) and equivalent ranks of Law Enforcement and Intelligence Agencies.

c. Language proficiency

An adequate understanding of written and spoken English is required.

In accordance with STANAG 6001, 2.2.2.2 level is recommended for students to attend this course.

2. Tentative Agenda

The DOMEX is a two-week course. During the first week, theoretical knowledge and practical use of a number of forensics tools are provided as basis for the second practical week. The focus in the first week is the introduction to the Technical Exploitation process and capatilities, as well as a first contact with the forensics tools in use during the course. The second week follows a scenario in which attendees will be required to use the acquired knowledge to exploit a number of tasks, including the chain of custody and reporting.

- 16 April - Travel day to Madrid
- 17 to 21 April - Course days (Madrid).
- 23 April – Travel day to Burgos
- 24 to 27 April – Course days (Burgos)
- 28 April – Travel day to Madrid and closing ceremony.

It is essential that all students comply with these timings as personnel arriving late or leaving early will have a detrimental effect on the course. **The final day of the course will end promptly at 17:00 in Burgos (Transportation to/from Madrid/Burgos will be provided by C-IED CoE on 23 and 28 April).**

3. Coordinating Instructions

- i. Dates and Duty Hours: 0830-1700 Mon to Fri. Timings can be extended if needed.
- ii. Students must be prepared to undertake various tactical tasks, situations and other scenarios, as the instruction requires, during the practical exercises.

4. Miscellaneous

This course is the first iteration of 2023. A second iteration is planned in second semester 2023.
