1. NATO organizations, NATO nations, NATO Command Structure (NCS) and NATO Force Structure (NFS), Partnership for Peace (PfP) countries, NATO Missions contributing nations, United Nations (UN) organizations, European Defense Agency, Agencies, Law Enforcement Forces and other partners are kindly informed that the 9th Lessons Learned Workshop (LLWS) will be conducted at the C-IED COE in Spain from the 06th to 8th of June of 2023.
 2. The aim of the LLWS is to contribute to the NATO Lessons Learned process and to increase the knowledge of missions that different nations/agencies are conducting in countries with an IED threat in order to facilitate and enhance interaction in the multinational C-IED community. The LLWS will be focused on several topics around LL in the C-IED area covering the three C-IED pillars, like threat analysis from the theatre including LL from (technical) exploitation, cooperation amongst the COEs and support to NATO DCB activities.
 3. The security classification of the LLWS 2023 is NATO SECRET.
 4. The official Calling Letter of the event including the panel discussions and a detailed program, together with all the relevant administrative details, will be distributed in March 2023.
 5. Depending of the situation due to the pandemic coronavirus COVID-19, this event could be modified.
 6. Should you have any questions, please contact the C-IED COE Point of Contact: OF-4 Francisco CAÑETE (ESP Army) fcanete@ciedcoe.org Phone: +34 91 856 10 38 or send an e-mail to CIED-LL-COI@ciedcoe.org
