- Canada in joining process

C-IED COE

C-IED COE

"We provide subject matter expertise in order to support the Alliance, its Partners, and the International Community in the fight against IED and co-operate to increase security of Allied Nations and also all the troops deployed in theatres of operations, reducing or eliminating the threats from improvised explosive devices used or for use, in particular by terrorists or insurgents."
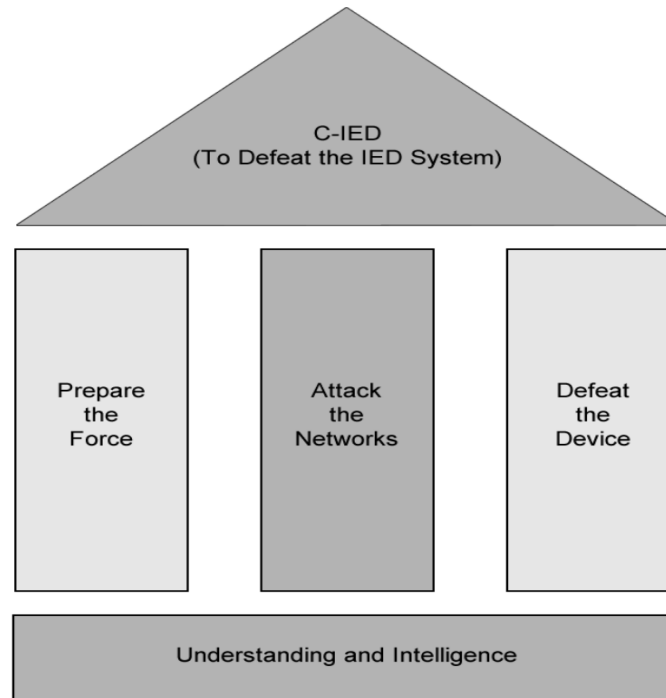

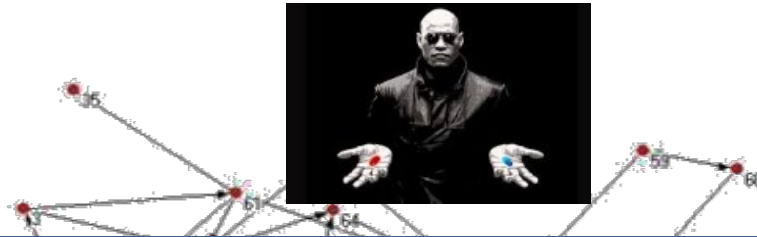

C-IED COE

What is C-IED?

Improvised Explosive Device System: **Personnel, resources and activities necessary to resource, plan, execute and exploit an improvised explosive device event.**

C-IED
(To Defeat the IED System)

| Prepare the Force | Attack the Networks | Defeat the Device |

Understanding and Intelligence

Countering-Improvised Explosive Device

The **COLLECTIVE** efforts at **ALL LEVELS** to defeat the
IED SYSTEM by <u>attacking the networks</u>, <u>defeating the device</u>, and <u>preparing the force</u>.

C-IED <u>crosses military functional areas</u> and relies upon an **integrated and comprehensive approach** that is **joint, inter-agency and multinational**. This should be accomplished through permanent and intensive civil-military interaction.
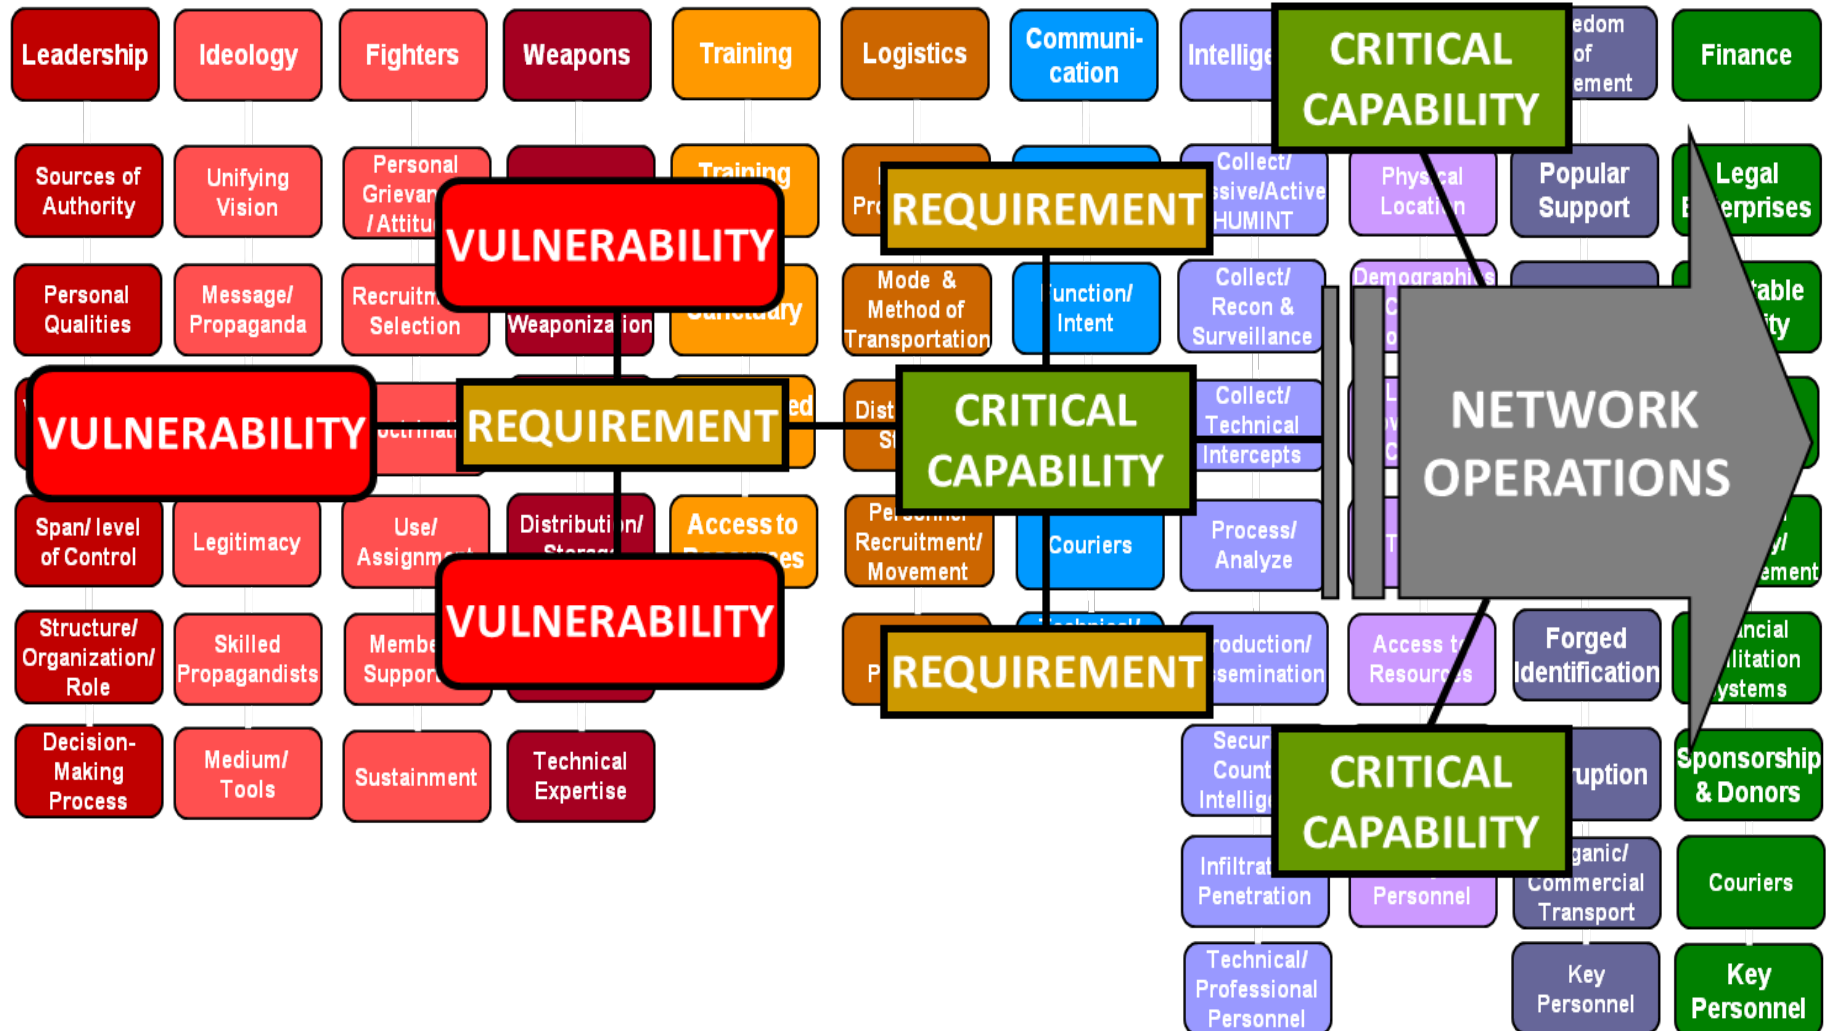

Allied Joint Doctrine (AJP) 3.15 C: Countering IED

What is C-IED?

$$ \text{(C-IED Doctrine Review)} \neq \boxed{} = \text{(NATO STANDARD AJP-3.15)} = \text{INTEL} + \text{OPS} $$
